Letter from the Registrar of Co-operative Societies, No. 20536/47/K2 dated 10.12.1947.

Order:-

The Registrar has reported that of late the sales of handloom cloth have declined and that there has been very heavy accumulation of stocks with almost all Weavers' Co-operative Societies owing to their high cost of production and the availability of mill cloth at cheaper rates. The Provincial Handloom Weavers' Co-operative Society Limited is also having heavy accumulated of stocks. The Registrar has therefore suggested that further expansion of the movement both in respect of Registration of new societies and admission of more looms into the existing societies should be stopped until the position is well consolidated and marketing organisation is developed. The Government accept the Registrar's proposals, but direct that in the matter of admission of new looms into the existing societies some of the hard cases may be examined and admitted as otherwise it will be a blow to the Co-operative movement itself.

(By Order of His Excellency the Governor).
